

RESPONSE TO COMMENT LETTER 2

2.1 Comment 2-1 relates to levee crossings. A description of the horizontal directional drilling activities is provided in Section 1.6.5, starting on page 1-22. Perpendicular crossings are discussed on page 1-22 in the second paragraph starting on Line 15.

2.2 Comment 2.2 relates to abandonment of either or both Line 57A and 57B, which would not occur as part of this project, as discussed in Section 1.6.2, on page 1-18.

2.3 Comment 2.3 is addressed in Section 1.6.5, on page 1-22.
